Selling A Home

The Jeff Quintin Super Team Way:

The Jeff Quintin Super Team understands that selling your home is a one-time opportunity to reap the rewards of your most important investment. To that end, we always provide “the best” in consultation, process, and dedication to your goals. Above all, the Jeff Quintin Super Team takes the time and attention to ensure that your house is handled the right way every time. This includes pricing your home competitively to open the market vs. narrowing the market, developing and advising the top 50 agents in the marketplace of the features of your home, and advising you on making your property more “saleable.” This also includes talking with 120 people per day - from buyer leads, past clients and their referrals - who are looking for potential buyers for your home, pre-qualifying leads, and keeping in close contact with salespeople to gauge reactions to showings. We assist you in arranging any necessary interim financing, represent you on all offer presentations to ensure you are getting the best possible price and terms, and handle all the follow up upon a contract being accepted, including mortgage, title, and closing procedures. The Jeff Quintin Super Team is experienced in all market trends and knows how to get results: *we sell a home 3 times faster than the average agent, resulting in our clients making 3%-4% more on their property.* Although, the truth is our favorite moment is delivering the check to each client at closing and seeing the result of our work, and their investment, in their eyes.
